REPORT OF INDEPENDENT AUDITORS

To the Board of Directors of
Pueblo a Pueblo, Inc.

We have audited the accompanying statement of financial position of the Pueblo a Pueblo, Inc. (a non-profit organization) as of December 31, 2010 and 2009, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pueblo a Pueblo, Inc. as of December 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with United States generally accepted accounting principles.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization - Pueblo a Pueblo, Inc. was organized in the District of Columbia in 2001 as the Latin American Resource Center, a non-profit corporation. The name was changed by amendment on June 7, 2001, to Pueblo a Pueblo.

Program Services - The primary program services provided by the organization are promoting a coordinated public awareness of the needs of disadvantaged people in Latin America, and providing educational assistance, improved health care, and other improvements to living conditions and work opportunities in those areas.

A summary of the Organization's significant accounting policies is as follows:

Basis of Accounting - The Organization prepares financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation - The Organization follows Financial Accounting Standards Board's standards for financial statements of not-for-profit organizations. Under those standards, the Organization is required to report information regarding its financial position and activities to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted Net Assets - net assets that are not subject to donor-imposed stipulations.
- Temporarily Restricted Net Assets - net assets subject to donor-imposed stipulations that will be met either by actions of the Organization and/or the passage of time.
- Permanently Restricted Net Assets - net assets subject to donor-imposed stipulations that are to be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Revenues are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the existence and/or nature of any donor restrictions. All donor-restricted contributions are reported as an increase in temporarily restricted or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents – The Organization considers all highly liquid securities with an initial maturity of three months or less to be cash equivalents.

Accounts receivable - The receivables are carried at original invoice or pledge amount less an estimate made for doubtful accounts. The allowance for doubtful accounts is based on specifically identified amounts that the Organization believes to be uncollectible. As of December 31, 2010 and 2009, an allowance was not required because all amounts are considered to be fully collectible.

Fixed Assets - The Organization capitalizes all fixed assets. Fixed assets are recorded at cost and are depreciated over its estimated useful life using the straight-line method. The estimated useful lives of the furniture and equipment are from 5 to 10 years.

Income Tax Status – The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined that the Organization is not a private foundation within the meaning of Section 509(a) of the Code.

Use of Estimates – The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statement and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Donated Services - No amounts have been reflected in the financial statements for donated services. The organization pays for most services requiring specific expertise. However, there are individuals who volunteer their time and perform a variety of tasks that assist the organization.

NOTE 2 FIXED ASSETS

The Organization's fixed assets consist of the following at December 31, 2010 and 2009.

	<u>2010</u>	<u>2009</u>
Equipment	\$ 8,568	\$ 8,159
Accumulated depreciation	<u>(6,676)</u>	<u>(5,576)</u>
	\$ <u>1,892</u>	\$ <u>2,583</u>

NOTE 3 CONCENTRATION OF CREDIT RISK

The Organization maintains its cash at a financial institution which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to significant credit risk in cash and cash equivalents.

NOTE 4 TEMPORARILY RESTRICTED

Temporarily restricted net assets are available for the following purposes:

Education Scholarships – The Organization provides individual sponsorships and scholarships which make it possible for children to stay in school and succeed.

School Lunch - The Organization fights child malnutrition by providing nutritious school lunches daily to hundreds of indigenous Guatemalan school children.

School Library - The Organization started its Reading for the Future program in 2010 to create a new school library and train teachers in literacy education in the village of Panabaj, and now in the municipality of ChukMuk.

Maternal Child Health - The Organization's innovative Maternal-Infant Sponsorship program provides new mothers the support they need to give their babies the best possible start in life.

School Gardens - The Organization's Organic School Garden Program is working to combat malnutrition and to increase food security to the children of Santiago Atitlan by teaching children about organic gardening and basic nutrition.

Bomberos - The Organization supports twenty-four hour emergency firefighting and ambulance service for the town and surrounding rural communities. The Organization purchased an ambulance and provides annual staff support.

Widow's Housing - The Organization purchased land to build twelve permanent homes for widows who lost their homes in the 2005 mudslides. Four additional homes were constructed in 2010. All widows are members of the Las Mujeres de Panabaj weavers' cooperative and their children attend the local primary school.
